Outline:

1. Parents are expected to actively participate with school activities and duties since Ming-De Chinese School is a non-profit organization. The smooth running of the school depends solely on parents' participation. Every new family is required to place a \$50 deposit upon registration of the first year. The details of the duty are listed in the following paragraph:
 - Personnel's listed in **Item A** are waived from parent duty.
 - Parents who are unable to participate assigned duties will need to place a \$50 fee again at next school year registration in order to waive duties (**check item B**).
 - Parents who are willing to participate will check **Item C**. Please also indicate the jobs/work that you are willing to participate. Only one member from a family is needed for parent duties. Three times per school year of parent's duty will be considered the obligation fulfilled. Therefore no need to re-deposit a \$50 of parent's duty fee at new school year registration.
2. Ming-De Chinese School reserves the right to assign parent duties since different numbers of people are needed in various duties. Your assignments will be mostly listed on Mind-De address directory book also/or notified by school or PTO upon request during the school year. It is the parents' own responsibility to check their assigned duties in advance. A friendly reminder will also be provided when the services are needed. Thank you for your help in advance! And the detailed items are listed at next page.

Please only check one box for the following three choices (A., B., C.):
